Chapter 2 by Jack Frost   ✎

I always wished that i could be Dante from Devil may cry.
My brothers told me it would never happen but i kept hoping it would happen.
One night a shooting star was crossing the sky and i said "Please let me become the one i've always wanted."
The next morning i woke up to banging on the door and some one shouting Dante over and over again.
I walked over to the door and opened it.
There she was the girl from the game.
I looked down i was naked just like Dante in the game.
What the hell was going on here, and who else has this happened to?

"Oh no..for real!?" I ran to the mirror and stared at my semi-nude self and giggled uncontrollably

"Holy shit I'm Ayane!" I jumped around and then did a back-flip which was so cool.

"This is awesome!" I spoke too soon, because a bunch of men rushed into the room and guns aimed at my face.

"Ohh...hands up and stay where you are, and maybe we wont hurt you...too much" One guy came at me and it was all over, instinct kicked in and I was kicking asses and tearing guys apart all while half naked.
